For School Year 2024-2025

Dear parents of new admission students:

May the Lord bless you and your family!

Thank you for your interest and trust in Academia Menonita as an option for your son's or daughter's education. During 62 years, Academia Menonita has pursued to empower our students with a sound educational and spiritual experience that will promote their development as citizens who contribute in forming a better world as they follow the Lord's will.

Registration applications for school year 2024-2025 are already accepted for submittal. It is very important that you follow the process, especially the dates and the documents you must submit.

To apply, you only need to follow the steps of the Registration Process (see the Registration Process document that corresponds to the grade you wish to apply for).

The submittal of the rest of the documents must be done promptly, as no student will be evaluated for admission until the corresponding documents are complete. It is very important that you be prompt in collecting and submitting them. The transcriptions must be complete (of all years in school) and include the first semester of the current year.

The acceptance of Pre-Pre-Kinder, Pre-kinder and Kindergarten applications is limited to the spaces available, and therefore we recommend you to submit your application as soon as possible.

We thank you again for your interest in Academia Menonita.

Sincerely,

*Ramonita Rivera-Torres
Administrator*

Para Año Escolar 2024-2025

Estimados padres de estudiantes de nueva admisión:

¡Que Dios les bendiga a ustedes y sus familias!

Gracias por su interés y confianza en la Academia Menonita como opción para ser el centro de enseñanza de su hijo o hija. Por 62 años la Academia Menonita se ha mantenido en pos de facultar a nuestros estudiantes con una experiencia educativa y espiritual sólida, que promueva su desarrollo como ciudadanos que contribuyen a un mundo mejor, siguiendo la voluntad de Dios.

Las solicitudes de matrícula para el año escolar 2024-2025 ya pueden ser sometidas. Es muy importante que sigan el proceso, especialmente las fechas y los documentos que tienen que someter.

Para solicitar, solamente necesita seguir los pasos del Proceso de Matrícula (vea el documento Proceso de Matrícula que corresponde al grado que desea solicitar).

La entrega del resto de los documentos debe hacerse con prontitud, pues ningún estudiante será evaluado para admisión hasta que sus documentos estén completos. Es muy importante que se apresure en recopilar y someter los mismos. Las transcripciones de crédito deben ser completas (por todos los años de estudio) y deben incluir el primer semestre del año en curso.

La aceptación de solicitudes de Preprekínder, Prekínder y Kindergarten está limitada a los espacios disponibles, por lo que le recomendamos que entregue su solicitud a la brevedad posible.

Gracias nuevamente por su interés en la Academia Menonita.

Metas y Objetivos del Programa de Niñez Temprana

La meta del currículo se fomenta en el desarrollo integral del niño (tanto física, emocional y espiritualmente) mediante variadas actividades dirigidas a estimular el aprendizaje activo. También se enfatiza el desarrollo de valores y actitudes de un buen cristiano.

Objetivos

- Facilitar el desarrollo de una imagen positiva en todos los niños, especialmente en aquéllos que tengan limitaciones y/o dificultades.
- Estimular el crecimiento de los niños en las siguientes áreas, teniendo en cuenta sus limitaciones: desarrollo motor grueso y fino, razonamiento, lenguaje, percepción visual, desarrollo socio-emocional y desarrollo cognoscitivo.
- Desarrollar el aprecio de sí mismo, su familia y su comunidad.
- Desarrollar una visión realista de sus capacidades.
- Desarrollar y mejorar los hábitos de salud, seguridad y aseo personal.

El currículo para el desarrollo integral en los años de la niñez temprana posee características fundamentales.

1. El currículo es lo suficientemente flexible y de alcance amplio para comenzar a ser implantado a tono con el nivel de desarrollo de cada niño.
2. Actividades educativas de grupos pequeños e individuales.
3. Depende de la selección y adaptación adecuada de las características, actividades y de los materiales educativos que se han de utilizar en cada una.
4. Recomienda actividades que fomenten el desarrollo de la concentración, interés, curiosidad y la motivación que son esenciales para construir el conocimiento.
5. Aspira a que los niños se sientan satisfechos con sus experiencias educativas.

Programa para la Niñez Temprana

Jesús dijo: "Dejen que los niños vengan a mí, y no se lo impidan, porque el reino de los cielos es de quienes son como ellos."
Mateo 19:14

Filosofía educativa

Varios estudios realizados sobre el desarrollo humano comprueban que la personalidad de un individuo va formándose en los primeros 5 años de su vida. Es por esto que, el aprendizaje se logra mucho mejor cuando el contenido está relacionado con la experiencia del niño(a), pues los conceptos cobran vida y significado para él.

Su desarrollo se produce en forma gradual y continua. Para facilitar este proceso, las situaciones de enseñanza-aprendizaje deben basarse en el conocimiento cabal del niño, de sus necesidades e intereses, estilo y ritmo de aprendizaje.

En la niñez temprana toda experiencia de aprendizaje debe basarse en la integración de materias y el medio ambiente. Es por esto que nuestro currículo del nivel preescolar (PPK y PK) y kinder, está basado en una filosofía pragmática.

Currículo Pragmático

A continuación un resumen de algunos de los aspectos más importantes de la filosofía pragmática:

- El niño aprende haciendo.
- El desarrollo del niño es un progreso sistemático a través de etapas que suceden en un orden determinado.
- La educación individualizada es el mejor medio para satisfacer las necesidades del niño.
- La meta educativa es lograr el más alto nivel o etapa de desarrollo.
- El logro de los objetivos educativos requiere un ambiente que presente estímulos que le ayuden a solucionar problemas o situaciones cotidianas.
- El niño es un ser intelectualmente activo que se estimula tanto en el aspecto cognoscitivo, afectivo y psicomotor.

Meet the Mennonites

Where did the Mennonites get their name?

Like Lutherans who were named after Martin Luther, Mennonites were nicknamed after an early Dutch leader, Menno Simons; they preferred to call themselves “brethren”, but as people continued referring to them as Mennonites, as such they became known to the world. But just as Menno Simmons was a follower of Christ, so Mennonites are followers of Christ, not Menno.

Our History

This movement began in the 16th century within the Protestant Reformation in Europe. A small group of earnest young believers in Switzerland, led by Conrad Grebel, attempted to recover the New Testament Christianity when they baptized and verbalized their faith in Jesus Christ. Fired by their new faith, the believers began to evangelize and baptize. The movement rapidly spread to South Germany and the Netherlands. The official churches, even some early protestant groups, immediately opposed the movement and scoffed at them as “Anabaptizers”, which literally means re-baptizers, because they practiced the baptism of adults. The state would not tolerate this change because in essence it defied the government-run church, despite the Anabaptist’s strong appeal to Scripture in support of their position. In a short time, many Anabaptist leaders were martyred. Thousands more died gruesome deaths at the hands of their persecutors over the next two generations. Fifty years of persecution took a terrible toll. The small groups lived without the right to own property or to meet publicly for worship. They moved to many places, including Russia and North America, seeking freedom to live their faith according to their consciences. For nearly every generation over the past 450 years, the church has experienced persecution somewhere in the world.

Through the years, Mennonites have developed a substantial ministry of emergency relief and development services which stand alongside church extension; and continue to stress peacemaking and family (spiritual and biological) relationships as important for wholeness.

In the 1940s the first Mennonites arrived in Puerto Rico and soon they were well known for their commitment to serving the community. A hospital was founded as well as various churches in the area of Aibonito. Slowly the church expanded to cover other areas of the Island. In 1959, the Evangelical Mennonite Church of Summit Hills was founded as a result of this missionary service. In 1961, this church founded Academia Menonita, with the purpose of providing the community with a complete educational service of quality inspired by Christian love and the example of Jesus Christ.

What are the Mennonites basic beliefs?

At the center of Mennonite teaching is the need to believe in Jesus Christ as the model for life, and as the One who died and rose from the dead in order that people could live in union with God. They believe that the church should keep Christ’s life and ministry alive in the world, just as though Christ was still living on earth: that’s why they refer to the church as “the body of Christ”. Mennonites believe that the church is made of people whose sins have been forgiven and who choose to follow Christ’s teachings. They believe that Christians should try to relate to each other and the world in the same loving, forgiving way that Jesus practiced. Here are highlights of seven basic beliefs:

1. **THE BIBLE IS CENTRAL** – trying to live in obedience to the Word of God – the Bible, which the Holy Spirit uses to give new life to the church and to help people grow in faith.
2. **NEW LIFE IN CHRIST** – living for Jesus Christ
3. **VOLUNTARY MEMBERSHIP AND COMMITMENT TO CHRIST** – voluntary baptizing as a public acceptance and commitment to live as a disciple of Jesus Christ.

4. **REACHING OUT TO THE WORLD** – by bringing “the good news” to all persons throughout the world, being concerned for “spiritual” and “physical” aspects of life.
5. **BELONGING TO EACH OTHER** – by being a loving and caring community of believers, Christians grow in faith, unity, service, and witness; we need each other for growth and encouragement, for confronting one another in a supportive way and for help in times of crisis.
6. **LIVING PEACEFULLY** – loving the enemy and refusing to use violence or participate in military service, living peaceably with others at all levels, serving the poor and needy, and including taking risks to work actively for justice and mercy.
7. **HELPING EACH OTHER** – caring for the spiritual, emotional, and physical health of others.
