Policy for Videoconference Classes

In case of the implementation of **distance education**, classes will be offered through videoconferences. The policies that each student must comply with during the transmission of the classes are as follows:

1. The parent commits to provide all school materials and technological equipment (computer, tablet, internet, printer, headset, etc.) so that the student can carry out all his academic responsibilities without problems. This includes an area in your home that promotes learning and is free of distractions.
2. **Teams** will be the platform that will be used to make videoconferences (or other platform selected by the institution). For the safety of our students, it can only be accessed using the student's institutional email.
3. To ensure proper attire, the student must wear the Academy's uniform shirt and Bermuda shorts or long jeans during the school period. The use of accessories is prohibited. (See Dress Code in the General Handbook for Students and Parents.)
4. It is a requirement that the student attend and remain in the videoconference throughout the class. All students must actively participate in the class by videoconference.
5. Parents should inform teachers in writing if the student will be absent in their class. (See General Handbook for Students and Parents.)
6. Any student who does not attend the live videoconference, for whatever reason, is responsible for the material covered in class.
7. Videoconferencing will be recorded for the benefit of those who wish to review the material discussed in the live videoconference, to evidence class administration and student attendance.
8. Enter the conference room promptly using the code and time set by the school schedule.
9. In the class register, you must write down your full first and last name (no nicknames will be allowed).
10. When you enter the class, you must enable the camera and microphone. Once class begins, the teacher will turn off all microphones to avoid echoes or interruptions. The student who refuses to enable the camera will be disabled from the class and will be considered an absence.

11. The teacher will be the moderator of the videoconference. No student must interrupt class. If you have any questions, you will raise your hand virtually (press "raise your hand") and wait to be given turn to speak.
12. If the chat is used in class, it must be for questions or comments exclusively about the course.
13. It is prohibited to write on the teacher's Power Point whiteboards or presentations.
14. All expressions by microphone and/or chat should be addressed with respect.
15. **It is prohibited to take images and/or recording during the transmission of the class by videoconference of the teacher, students, material discussed in class, among others, as well as to publish said images in any media.** Videoconferencing classes are not included in our General Regulations for Students and Parents. Therefore, such a violation is considered a Type III Serious Violation. **Disciplinary action for such infringement ranges from Suspension with Probation to Expulsion, depending on the severity of the offense. In a recidivism of the violation, the student will be expelled.**
16. The General Handbook for Students and Parents of the Academy will be in force; any student who violates this regulation is exposed to disciplinary action.

Policy for Exams and Works to Submit

1. The teacher will determine which platform will be used for short tests and exams. The student must enter his/her full first and last name (no nicknames will be allowed). The student will only use institutional email to register, if needed
2. Must verify that all technology equipment is working properly before starting the exam, quiz or work.
3. The student must submit the papers and exams on time, according to the teacher's instructions. This will prevent the average from being affected.

We certify that we have read the Policy for Videoconference Classes and the Policy for Exams and Works to Submit. We are committed to fully complying with them and, as parents, to supervise and support our child in fulfilling them.

Política para Clases por Videoconferencia

En caso de la implementación **de la educación a distancia**, las clases se ofrecerán a través de videoconferencias. Las políticas que todo estudiante deberá cumplir durante la transmisión de las clases son las siguientes:

1. El padre se compromete a proveer todos los materiales escolares y el equipo tecnológico (computadora, tableta, internet, impresora, diadema (*headset*), etc.) para que el estudiante pueda realizar sin inconvenientes todas sus responsabilidades académicas. Esto incluye un área en su casa que propicie el aprendizaje y esté libre de distracciones.
2. **Teams** será la plataforma que se utilizará para realizar las videoconferencias (u otra plataforma seleccionada por la institución). Para la seguridad de nuestros estudiantes, solo se podrá acceder a la misma utilizando el correo electrónico institucional del estudiante.
3. Para garantizar una vestimenta adecuada, el estudiante deberá utilizar la camisa del uniforme de la Academia y pantalón bermuda o mahones largos durante el periodo escolar. Se prohíbe el uso de accesorios. (Ver Código de Vestimenta en el Reglamento General para Estudiantes y Padres.)
4. Es requisito que el estudiante asista y permanezca en la videoconferencia durante toda la clase. Todos los estudiantes deben participar activamente de la clase por videoconferencia.
5. Los padres deberán informar por escrito a los maestros si el estudiante estará ausente en su clase. (Ver Reglamento General para Estudiantes y Padres.)
6. Todo estudiante que no asista a la videoconferencia en vivo, por las razones que sean, es responsable del material cubierto en clase.
7. La videoconferencia se grabará para el beneficio de los que desean repasar el material discutido en la videoconferencia en vivo, evidenciar la administración de la clase y la asistencia de los estudiantes.
8. Entrar a la sala de conferencia puntualmente a la hora establecida por el itinerario escolar.
9. Cuando entre a la clase, deberá habilitar la cámara y el micrófono. Una vez comience la clase, el maestro apagará todos los micrófonos para evitar ecos o interrupciones. El estudiante que se niegue a habilitar la cámara se inhabilitará de la clase y se considerará como una ausencia.
10. El maestro será el moderador de la videoconferencia. Ningún estudiante deberá interrumpir la clase. Si tiene alguna duda, levantará la mano virtualmente (presionar “subir la mano”) y esperará a que le dé el turno para hablar.

11. De utilizarse el *chat* en clase, debe ser para preguntas o comentarios exclusivamente del curso.
12. Se prohíbe escribir en las pizarras o presentaciones de *Power Point* del maestro.
13. Todas las expresiones por micrófono y/o por el *chat* deben dirigirse con respeto.
14. **Se prohíbe tomar imágenes y/o grabación durante la transmisión de la clase por videoconferencia del maestro, estudiantes, material discutido en clase, entre otros, al igual que publicar en cualquier medio dichas imágenes.** Las clases por videoconferencia no están contempladas en nuestro Reglamento General para Estudiantes y Padres. Por consiguiente, una violación de este tipo se considera una Infracción Grave Tipo III. **La acción disciplinaria a dicha infracción irá desde Suspensión con Probatoria hasta Expulsión, dependiendo de la gravedad de la falta. En una reincidencia de la infracción, el estudiante será expulsado.**
15. El Reglamento General para Estudiantes y Padres de la Academia estará vigente; todo estudiante que viole dicho Reglamento se expone a medidas disciplinarias.

Política de Exámenes y Trabajos para Entregar

1. El maestro determinará cuál plataforma utilizará para pruebas cortas y exámenes. El estudiante debe escribir su nombre y apellidos completos (no se permitirán apodos). El estudiante solo utilizará el correo electrónico institucional para registrarse, de ser necesario.
2. Debe verificar que todo el equipo tecnológico esté funcionando correctamente antes de iniciar el examen, prueba corta o trabajo.
3. El estudiante debe entregar los trabajos y exámenes a tiempo, conforme a las instrucciones del maestro. De esta forma evitará que su promedio se vea afectado.

Certificamos que hemos leído la Política para Clase por Videoconferencia y la Política de Exámenes y Trabajos para Entregar. Nos comprometemos a cumplir cabalmente con las mismas y, como padres, a supervisar y apoyar a nuestro hijo(a) en el cumplimiento de éstas.
